## Assistant Principal's Message

### School Production

Each year Kingsville students from years 3-6 have the opportunity to participate in the school production traditionally held at the end of term 2. This year we will perform the musical “Pinocchio”, an adaptation from Carlo Collodi's famous story of the lonely puppet maker and his mischievous creation.

Being part of the production is voluntary and rehearsals take place both at lunch times and after school. For some students participating in the school production is another way of connecting and engaging in the life of the school. There is no doubt that being part of a production is hard work and requires a level of discipline in following directions, learning dialogue, choreography and lots of new songs. However most students who have been involved in past musicals will attest not only to these challenges but also to the significant rewards that come with committing to this kind of long term project.

Rehearsals began this week with over 120 children - a challenge in itself! If for one reason or another, your child has missed out on this first week, they are still able to join in, however it is important that they come and see either Blagma or myself. The rehearsal schedule will be printed off each Monday morning and placed on the doors closest to the hall (3 different spots).

A separate note will go home with all cast members regarding after school rehearsals. These are

### **General Guidelines for Parents when making any Payments to the school:**

<b>End of Terms 1, 2 &amp; 3</b>	All payments need to be made prior to 10:00am on the last day of term.
<b>End of Term 4</b>	All payments must be made 2 days prior to the end of term.
<b>Cash Payments</b>	Correct money is requested, as change cannot always be provided.

generally on different nights to accommodate a range of after school activities. In other words we acknowledge that not every student will be in a position to attend every rehearsal.

Caroline Chisholm College has been booked for June 24<sup>th</sup> and 25<sup>th</sup> and we look forward to receiving great support from our whole school community, including the parents and students from the P-2 area.

Tickets will be available through the newsletter from next week.

**Prep Working Bee  
Sunday 4<sup>th</sup> May @ 9am -12pm**

Don't forget if you haven't sent your response in you can still come on Sunday morning and that includes parents of students in other levels. Work will be focused in the "quiet play area" between the Prep rooms and main building. It would be really helpful if anyone can bring along hedge clippers or secateur type tools. Morning tea and a sausage sizzle will be provided. Please see newsletter item of 4/4 for full details.

**School Website**

Unfortunately the school website had to be taken down earlier this week by our website developers for some unscheduled maintenance. Apologies for any inconvenience this may have caused families.

**School Photos**

School photos will be taken on Thursday 22<sup>nd</sup> May. In follow up to the message in newsletter 24<sup>th</sup> April a slight change. Photo packs went home yesterday with the students.

Sibling order envelopes will be kept as usual in the main office. If you would like a sibling photo taken on the day please, request an 'order envelope' to be sent home or come in and collect one.

**THESE ENVELOPES DO NOT COME BACK TO SCHOOL BEFORE 22<sup>ND</sup> MAY.**

Please clearly mark this date on your family calendars as we do not want upset children on the day if they don't have their envelope.

Teachers will collect the envelopes in the morning and they then hand them back to the children when they go off to have photos taken. Children will then give the envelope to the company employees on the day.

# Where in the world are you reading?

Please see newsletter of 4<sup>th</sup> April for full details. Thank you to families who have sent these in during last week, the number has increased significantly and examples now include everything from great locations at home to interstate and overseas. We have student readers on Bondi Beach, a surf board, a haystack, a pennyfarthing ,a helicopter, in the forest, boating, skiing and many more unusual locations.

So please keep them coming in

- photos are taken of Kingsville students reading a book in an unusual spot;
- parents print photo and send it to the Principal or email it to the Principal for it to be printed at school

## Fundraising News

### Mother's Day Stall

Kingsville Primary School's famous Mother's Day Stall will be held on Wednesday 7<sup>th</sup> May. It's a chance for your children to choose their own special gift for mum and have fun keeping it a secret from you. Gifts will be available in the \$5 and \$10 price range. Best pop the money in an envelope for your child to bring on the day as we only accept cash payments (and the correct money will be greatly appreciated).

As we did last year, for those children that would like to purchase another gift for a special woman in their life (aunt, godmother, grandmother etc.), the stall will be open at lunch time. So remember to bring along extra money if you wish.

The Mother's Day stall is an extremely busy event therefore if you are available to help on the day – even if only an hour – please contact Vita Budlender on 0432000910 or [bbudlender@gmail.com](mailto:bbudlender@gmail.com). Any help is appreciated.
