### Acting Principal’s Message

**Student Free Day—Reminder**

This has been in the dates to remember for some time, however to ensure all Kingsville families are aware –a reminder that students do not attend school next Monday 4th November.

This student free day will allow the high level of collaboration required to further develop our programme of inquiry. We will specifically focus on the mapping out of the relationship between Ausvels and our transdisciplinary programme of inquiry ensuring:

- vertical and horizontal articulation
- alignment of the POI with the Ausvels content
- central ideas are relevant, significant, challenging and engaging

As a community of learners we want both teachers and students to be active participants in the learning process. It is critical that we continue to work collaboratively to ensure that units of inquiry engage and excite our students.

“The most important aspect of education is not the imparting of specific knowledge, but rather the learning of how to find knowledge when it is needed, how to assimilate that knowledge, how to integrate that knowledge, and how to synthesize new ideas and solve problems,” (Ertas 2000).

**Cyber Safety—Parent Information Night**

I hope this important event is in everyone’s diary. Not only do we as a school community recognise that this information is timely and relevant, we have also received significant feedback from parents requesting this information night so I expect this will be well supported.

**General Guidelines for Parents when making any Payments to the school:**

- **End of Terms 1, 2 & 3**
  - All payments need to be made prior to 10:00am on the last day of term.
- **End of Term 4**
  - All payments must be made 2 days prior to the end of term.
- **Cash Payments**
  - Correct money is requested, as change cannot always be provided.

**School Council President** Leah Young 0418 369 039

**OSHC Camp Australia** 0401 054 261

**School Uniform Primary School Wear** 9363 8458

**Program Manager** Nick Thomson
If you have not already done so please fill in the slip attached and return to school as soon as possible to assist with our planning next Thursday night.

**Important Information**

A protest regarding truck traffic has been planned on Somerville road beside the Kingsville Primary School crossing next Thursday 12th November at 8.00am. Please be aware that this may cause some difficulty for those of you who drive your children to school so you may wish to consider an alternative.

**Production “Once Upon A Time”-12th and 14th November**

With very little time to go, there are many last minute things to achieve next week - costumes being organised, props in the final construction stages and photos to be taken, not to mention some much needed rehearsal time.

The students have worked so hard through the term, rehearsing lines, learning songs and dances, all through their lunchtimes and after school.

The story takes us back to Nursery Land and will certainly appeal to our younger students. It is not too late to purchase tickets—we guarantee you will have a great night of singing and dancing.

Come along and support our fantastic students in our annual music production. (Order forms attached)

School Disco – Friday 22nd November

It's on again! The much anticipated school disco will be held on Friday 22nd November. The disco will be divided into two sessions with Prep to Grade 2 from 6pm to 7.15pm and Grades 3-6 from 7.30pm to 8.45pm. Many thanks to Aaron D'Arcy (dad of Milly), who returns once again as our fabulous DJ.

To make drop off and collection easier, children will enter the Hall via the Bishop St doors and will exit via the glass doors leading onto the deck. Please note that the only access to the school is through the Bishop St gate.

The cost for the evening is $5 which includes disco entry, a drink and a glow stick. Water will also be available throughout the event. The fundraising "bouncers" will be on hand to ensure that everyone has a fun evening.

Forms must be returned by Tuesday 19th November. Pop the flyer on the fridge at home as a reminder.

If you can help on any future events – even if only for an hour – please contact Liz Reinoga on 0424 158 532 or erenoga@telstra.com. Any help is appreciated.

Footscray City College

Survey

Footscray City College is interested in surveying local parents, particularly those with primary aged children. We are seeking information to help us better understand parent priorities and concerns when it comes to considering high school options for your child/children.

An independent and accredited research company is conducting the survey, and it takes approximately 15 minutes to complete. The survey will remain open until Friday 22nd November. The link is:

https://essentialmedia.qualtrics.com/SE/?SID=SV_1Rp0CLVKv0H7Mx

The college is committed to being responsive to community expectations in its endeavour to provide a high quality government school option for the secondary years. Hence, we would be most appreciative of any parents who are able to take the time to complete the survey.

Thanking you in anticipation
Maria Bawden
Principal, Footscray City College
Grade 3/4 Working Bee

9am – 12pm Saturday 9th Nov

This working bee is allocated to grade 3/4 families but we welcome everyone! You can come for the whole time or for just an hour.

There will be lots of jobs on the day, some of which will include weeding, mulching, edging and the general tidy up of our school grounds.

Please bring along wheelbarrows, tree clippers, tools, brooms, pitch forks, rakes, shovels, secateurs etc.

Assemble near the kitchen garden to volunteer for your job!

Morning tea will be provided.

Will your child / children be at Kingsville in 2014?

If you know your child / children will not be returning to Kingsville in 2014 or if they will be only here for a short time e.g. you could be moving in Term 1

Please fill in below if you have not already informed the school

CYBERSAFETY SESSION FOR PARENTS

Do you know what your children do online?
Mobile devices and the internet have radically changed the way our children communicate, connect and collaborate. Do you know and understand the issues with these apps and websites? Kingsville Primary School has invited Tony Richards to host a session for parents to answer these questions and more.

This information session will explore the challenges and implications arising from new technologies, particularly in terms of child safety and wellbeing. Parents will be provided with a first-hand look at what their children can access online. If you want to have a better understanding of what your children do and want to be better informed then you cannot afford to miss this session.

Areas that will be covered include:
- the internet - challenges for parents
- learn about online communication, downloading, gaming, social networking and web surfing
- facebook privacy and issues
- current trends in apps and websites
- how mobile devices are changing the way your children communicate
- cyber bullying and cyber safety
- practical tips for parents

| Topic: Do you know what your kids are up to online? |
| When: Thursday November 7 |
| Location: Kingsville Primary School Hall |
