Principal’s Message

Parent Payments

Just to remind all parents that the details regarding parent payments for 2016 were included in the newsletter of December 18th, 2015. They are included again in this newsletter for all parents, including new parents. Incoming Preps and new families also received this information on 23rd December, 2015.

This is always an important entry into the last newsletter of the year to ensure there is advance notice about the process and the amount required for Essential Education Items and requested Voluntary Financial Contribution.

In the December newsletter there was additional information about the distinction between these two areas. Please note the Statement to families will only include the charge for Essential Education Items.

If any parents have question relating to either the Essential Education Items or the request for Voluntary Financial Contribution please contact the Principal, Kath Ginnane

Ginnane.Kathleen.KM@edumail.vic.gov.au

Parent Payments (extract from 18th December, 2015 Newsletter)

This year, rather than just attaching details of parent payments for 2016 with the last newsletter of the year I am also providing some additional information to families. This is aimed at ensuring that the process is transparent and parents are aware of the context relating to decision making in this area. There is legislation that all school councils in government schools must comply with when they make decisions about both the required Parent Payments for

General Guidelines for Parents when making any Payments to the school:
End of Terms 1, 2 & 3 All payments need to be made prior to 10:00am on the last day of term.
End of Term 4 All payments must be made 2 days prior to the end of term.
Cash Payments Correct money is requested, as change cannot always be provided.

School Council President Leah Young 0418 369 039
OSHC Camp Australia 0401 054 261
School Uniform Primary School Wear 9363 8458
Program Manager Asi Malu
Essential Education Items and, Voluntary Financial Contributions.

Legislation

The Education and Training Reform Act 2016 provides that instruction in the standard curriculum program is delivered free to all students in Victorian Government schools; this is referred to as ‘free instruction’. The Act also grants school council the power to charge fees for goods and services to support the delivery of free instruction and to raise funds.

Free instruction includes learning and teaching, instructional supports, materials and resources, administration and facilities associated with the provision of the standard curriculum program. The standard curriculum program includes core learning and teaching activities related to the Victorian Essential Learning Standards and senior secondary certificates such as VCE, VCAL and VET in Schools programs.

The Department of Education and Training Parent Payments in Victoria Government Schools Policy, details the regulations regarding to the types of payments that schools can require and/or request from parents.

Please be assured that the payments required and requested by the Kingsville Primary School School Council are absolutely in line with government policy. As Principal, my role is to ensure council members are fully informed regarding the legislation, requirements and accountabilities that must be complied with when making their decisions regarding parent payments.

The government policy relating to parent payments is available on the DET School Policy and Advisory website www.education.vic.au/spag. Please note, this policy and advice to schools is subject to change or adjustment in 2016 for the 2017 school year. This will depend upon government take up on recommendations made earlier this year in a report by the Victorian Auditor General, ‘Additional School Costs for Families’.

Context

The Department of Education and Training provides funding through the Student Resource Package to support the ‘standard curriculum program’ however, this does not cover all costs associated with Essential Education items.

School Council are responsible for developing and approving a school-level parent payment policy that is compliant with the DET policy. Kingsville Primary School has an approved Parent Payment policy and this will be updated in 2016 following any DET advice.

Parent Payments at Kingsville

In line with the Educational and Training Reform Act 2006, School Councils are able to require and request payments for education items and services from parents and guardians in the three categories of

1. Essential Education Items (required)
   - these include materials that the students will take possession of during the course of the year e.g. work books, a wide range of stationery items and
   - materials for learning and teaching where the student “consumes materials” and/or takes possession of a finished article

2. Optional Extras (user pay) – if these are provided in addition to the standard curriculum program, such extras would be provided on a user pay system

3. Voluntary Financial Contributions (requested)
   - are for those items that parents are asked to make a donation to
   - school council will determine the specific area each year
   - a range of donation options must now be provided to parents

Kingsville Primary School has now determined both the level of request for Essential Education items and the Voluntary Financial Contribution.

Please note the Kingsville Primary School School Council has also determined the focus area to benefit from the Voluntary Financial Contributions parents make in 2016 taking into account school need.

Please find with this newsletter details of the parent payments for 2016. Please note, for 2016 there are two pages, one listing the required Parent Payment and the other the request for Voluntary Financial Contributions. This is to ensure they are understood and seen to be separate components of the total Parent Payments for KPS for 2016.

Please see details of Essential Education Items and Voluntary Financial contributions on pages 9 and 10 of this newsletter.
**New Telephone System**
Kingsville Primary School is introducing a new telephone system. The new more modern system is designed to improve communication between parents and teachers, and community members. It includes many new features however, the main number for the school will not change.

A new auto attendant feature will offer callers a list of options to direct them to the extension they are seeking, such as absences and after school care. Alternatively they will have the option to continue through to the main office.

The new telephone system is the result of extensive study into the communication needs of the school.

Installation began yesterday and there may have been some difficulty for a short period of time for some callers. We do not expect any further disruptions.

Peter Ritchie, Assistant Principal

But as stated when it comes to logging in codes to book interviews or meetings **only one person per family**. That is all that can be reasonably expected of teachers taking into account time possibilities on a set parent meeting night.

Jeff McDonald, Assistant Principal

---

**Parent Teacher Conference /Meetings 2016**

On line booking for meetings on March 2nd have steadily grown since opening up last Monday. Just a reminder that booking close at **5.00pm on the day of Monday 29th February**.

Please note only one log in code and pin is provided per family. **This is** to ensure an opportunity for each family in a class group is able to be catered for during the 1.30p.m. – 6.30p.m. period.

**This does not** in any way assume that this model will suit all family situations. Many parents share care and/or custody of their children and both formal and informal arrangements may apply at different times.

If you are a parent who co-parents so to speak, it is important to note our legal duty of care is to the parent that the child is “predominantly in abode with”. If a child is shared equally re living arrangements via a formal family law court ruling or, a family arrangement then, our duty of care, unless otherwise stipulated is to **parent A** being the mother. It is acknowledged however that both parents have equal rights to information about their child’s progress.

**Parent B** may choose to organise a meeting with a class or specialist teacher at another time to suit both parties. Also, don’t forget email to teachers and access to Newsletters on the Website, is available for both parents.

---

**Happy Birthday**
*25th February to 2nd March*
Happy Birthday to Takdanai McLeod-Smith, Kalan Doloughan Marion, Conor Hennessy, Conor Evans, Samrawit Mersha, Eliza Lavery, Liam Swan, Isla Munro and Jasmine Walker.
Korobi Yaoki
(if you fall down seven times, get up eight).

Being courageous is one of the attributes that we value in the profile of a student at Kingsville. It is described as 'approaching uncertainty with forethought and determination; working independently and cooperatively to explore new ideas and innovative strategies. Being resourceful and resilient in the face of challenges and change.

One of the key word within this statement is RESILIENT

Resilient children are able to cope with whatever life throws at them and therefore don’t become demotivated when things get tough. They develop an ability to solve many of their own problems whilst recognising mistakes as being common to everyone, in fact, things to learn from not things to get you down or cause you to lose focus.

We know resilient children generally thrive at school and have more positive social experiences. Given the myriad of challenges school aged children are faced with in today’s world, teaching our children resilience skills may be one of our best weapons to “fight back” against negative influences.

Resilient individuals are said to have an excited and active approach to life, they are curious and open to new experiences and do things to increase their experience of positive emotions. Developing a greater level of resilience won’t stop bad or stressful things happening, nor will it stop us making mistakes, it but can reduce the level of disruption a stressor has and the time taken to recover.

Alternatively, when a child lacks resilience they lack the strength to bounce back when adversity comes their way. Rather they see a mistake as failure; the molehill appears like a mountain and is insurmountable. Getting up to continue the fight just becomes too hard and the motivation disappears.

Resiliency is the ability to persevere and adjust when faced with adversity. We all face adversity, but it’s the way we react that determines how we feel and how well we perform in those circumstances.

Building resilience begins with children seeing the way adults in their lives handle adversity. Adults who can handle difficult situations with openness and grace provide children with a role model to follow.

Elements of Resilience
To overcome adversities, children, youth and adults draw from three sources of resilience:

**I HAVE**
- people around me I can trust and who love me, no matter what
- people who set limits for me so I know when to stop before there is trouble
- people who show me how to do things right by the way they do things
- people who want me to learn to do things on my own
- people who help me when I need help, support or am in danger

**I AM**
- a person people can like and love
- glad to do nice things for others and show my concern
- respectful of others and myself
- sure things will be all right (optimistic)

**I CAN**
- talk to others about things that frighten me or bother me
- find ways to solve problems that I face
- control myself when I feel like doing something not right or dangerous
- figure out when it is a good time to talk to someone or, take action
- find someone to help me when I need to talk

It is our shared responsibility to support our children in developing an understanding of these elements.

In Japan the Daruma Doll is one way that resilience it taught to children. Named after an ancient Chinese Zen Master, Bodidharma. The best-known legends say Bodidharma attained enlightenment after meditating in a cave for nine years without blinking or moving his eyes. During those years of meditation, his arms and legs atrophied, shrivelled up, and fell off.

The Daruma Doll is a symbol of his self-discipline and positive outlook. Its weighted bottom and rounded shape forces this ancient cultural doll to right itself after being knocked over, teaching us to be dedicated and persistent and symbolizing our recoveries from misfortune by showing resilience.

Jeff McDonald
Assistant Principal
Ride and Walk to School Day

Friday March 4th
On Friday March 4th, two fine and remarkably valuable trophies will be up for grabs: the much coveted “Walkies” and “Golden Bicycle” trophies.

Students and staff are encouraged to walk or wheel their way to and from school on this day. Walking and wheeling - riding your bike, scooting, and skateboarding - are all great ways to get around, and do not rely on fossil fuels, just healthy food to power your body!

Starting closer to school is encouraged for younger students and those just learning to ride bikes, scooters or skateboards. Parental support is also welcomed in helping students walk or wheel.

As always, your safety and that of others is first and foremost. Student ‘Wheelers’ at KPS may legally use footpaths, but remember, ‘Wheelers’ give way to ‘Walkers’, and they walk their ‘wheels’ in school grounds. Make sure your ‘wheels’ are in top condition before you head out. Please observe the laws and rules of the road. Cross busy roads at traffic lights, and look out for traffic. All ‘Wheelers’ must wear a helmet on their head, and not their handlebars. It’s the law in Australia.

Your teacher will record each ‘Walker’ or ‘Wheeler’ in their grade on the day. The grade with the highest percentage of ‘Walkers’ or ‘Wheelers’ will win that particular Golden Trophy.

So, come on KPS, “On yer bikes, legs, or wheels”, leave the old fossil fuel guzzler behind, have fun getting safely to school, and help your grade win a trophy! Which grades will walk or wheel away with them this term?

Ian Phillips, teacher

Specialist Timetable for Semester One

Please find attached the specialist timetable for Semester One 2016. All classes are designated an Italian, Performing Arts, Visual Arts, Library and PE session during the week.

It is expected that specialist teachers will maintain these timetables throughout the semester, except for periods during special events like the swimming programs, camps, planning weeks etc. There may however be other times when changed staffing arrangements require a temporary adjustment of the timetable.

Blagma Veljanoska, Leading teacher

Sports News

Swimming News
What a fantastic day we had yesterday for the District Swimming Carnival. All children participated at their highest level and did themselves and the school proud. It was especially pleasing to see our children cheering on and encouraging children from other schools.

While all children excelled themselves with their sportsmanship and commitment to the team, there are a few notable mentions that need to be made. Thank you to Zach Caldwell, Declan Fredericks and Jesse Parnham for stepping up and filling in spots in the under 12 events. Congratulations to Lloyd Deunk and Amelie Le Grand for winning both the boys and girls Championship Medal in the final event of the day. Also congratulations to Stefan Holmes for setting a district record in the 50m backstroke, and Lloyd Deunk and Amelie Le Grand for setting district records in the 50m breaststroke.

Again, a very big thank you to all staff and parents, particularly Mark Deunk, who have helped to get the team to this point, and to the helpers on the day. Without such a community effort, the children would not have had the same experience that they did.

We now look forward to the Division Swimming carnival which will be held in a few weeks.
Please note the changes to the system for nominating children for State teams for Aussie Rules, Netball, Soccer and Basketball. There will no longer be trials at school and it will be up to parents to nominate their children online, for which there is a fee. If you have any questions about this, or about nominating in any other sport, please speak to Lorey or go the SSV link: https://www.ssv.vic.edu.au/TeamVic/Pages/default.aspx

Lorey Bentley, Sports/PE teacher

Community Noticeboard

"YARRAVILLE NAB AFL AUSKICK CENTRE
Come and try NAB AFL Auskick for free on the 19th March at McIvor Oval at 9:00 a.m. Yarraville NAB AFL Auskick will start its season on the 9th April and run through to 20th August. The cost is $91 for 17 weeks. To register for 2016 simply enter your postcode and select Yarraville. If you register and pay on line before 10th April you automatically receive 4 complimentary AFL game tickets. We have a breakfast BBQ, complimentary oranges for the kids and real coffee each Saturday! There will be a footy boot swap at Yarraville on the 19th March and 9th April so bring your boots along if they don't fit. www.aflauskick.com.au for more information"

Hot March Night Update
Have you got your Hot March Night tickets yet? If you’re waiting to see if the weather will be kind, don’t worry! We are planning for everything! If it’s cold, or wet, we have contingency plans in place to make sure everyone still has loads of fun! So don’t wait, get your order form in now.

Camps, Sports and Excursions Fund (CSEF)
- The Camps, Sports and Excursions Fund (CSEF) provides payments for eligible students to attend camps, sports and excursions
- $125 per year will be paid for eligible primary school students, with $225 per year paid for eligible secondary school students
- Payments will go directly to the school and be tied to the student
- Families holding a valid means-tested concession card, or temporary foster parents, are eligible to apply
- For more information, contact the school or see: Camps, Sports and Excursions Fund
- To be eligible, students need to be enrolled at the school on 27th January 2016
- Forms are available from the General Office and application must be made in person by the concession card holder – the concession card must be presented at the time of application
- Applications close 03/06/2016

Linda Bowman, Business Manager
Traffic Safety

Don’t risk your child’s life

Never call your child from across the road. Excited children often dash out onto the road and forget to look for traffic. Children cannot accurately judge traffic speed.

ROAD SAFETY AROUND SCHOOLS BEGINS WITH YOU!

School Clean Up Australia Day

Since the national event started in 1990 Australians have donated more than 27.2 million hours taking to their streets, bushland, parks and waterways on Clean Up Australia Day, removing an estimated 288,650 tonnes of rubbish from 145,754 sites across the country. National Clean UP Australia Day is on Sunday 6th March.

Since 1992, school communities across Australia have demonstrated their support for caring for the environment through participating in Schools Clean Up Day. The next Schools Clean Up Day is on Friday 4th March 2016.

Kingsville Primary School is once again going to be part of this extraordinary event and will be one of the thousands of schools across the country cleaning up on Friday 4th of March.

Our event will be staged between 2.30pm and 3.30pm and will focus on cleaning up in and around the school. The school will provide some gloves but we would appreciate it if the children who are participating are able to bring a pair from home.

If you do not want your child to participate in the Australia wide event please let your child’s teacher know by Friday 4th March.
Parent -Teacher Conferences, Wednesday 2nd March 2016

Parent-teacher conferences offer great opportunities to deepen the working relationship between parents and teachers. It is a conference because it is a two way conversation. The conference is an opportunity for both parties to highlight the child's strengths, discuss academic or social concerns, and share information about the child development. Parent support for, and involvement in, your child/children’s education is a critical factor in student engagement and achievement. Creating a true partnership in a child's education establishes shared expectations for your child to ensure they achieve their full potential.

Parent Teacher conferences will be held for all students from 1.30pm to 6.50pm on Wednesday 2nd March.

Parent Teacher conferences will be of 10 minutes duration.

For these Parent Teacher conferences we are again using the internet-based booking system called Parent Teacher On-Line (PTO). This system will go live from 9am on Monday 22nd of February and you will have until to 5.00pm on the day of Monday 29th February to make a booking.

PIN and Password:

1. If you have provided the school with an email address:
   - go to the school’s home page: www.kingsvilleps.vic.edu.au
   - and click on the PTO icon
   - click the link that says ‘obtain pin and password’ in the ‘Need Help?’ section
   - input the email address you have given the school and click ‘send email’
   - an email with your PIN and Password will be sent to you

2. If you have not provided the school with an email address your Pin and Password will be sent home with the eldest child in your family.

Booking interview times:

- go to the school’s home page: www.kingsvilleps.vic.edu.au
- click the PTO icon as shown here ...
- login using your PTO online pin and password

Full instructions are provided to you after log in.
Using this system you will be able to book the Parent Teacher conferences times that suit you best from any internet-connected devise. A computer will be available outside the main office during school hours (8.45am – 4.00pm) if you do not have internet access at home or elsewhere.

Please note the following points:

- When you log on, the system displays only your own child/children. Bookings are made for individual parents/guardians, not for couples. Couples can however log on to the system simultaneously to coordinate bookings. If two parents/guardians wish to attend a single conference time slot, one parent/guardian should make the booking then both can attend.
- You will only see time slots that are available at the time you are using the system. As time slots are booked for teachers, those time slots are no longer displayed as available.
- When you have made all the bookings you require, you can download or email a report of your bookings in time order for printing. You can log in and change bookings any time up to 5.00pm on the day of Monday 29th February.
Please note other parents may be making bookings at the same time that you are using the system. It is possible, though unlikely, that a time slot is displayed to you as available, but is then booked by another parent shortly afterwards. If you then attempt to book this time slot, it will not be available and a message will be displayed to indicate this.

Please don't forget to print off a copy of your appointment(s).

If you encounter any problems using the PTO booking system please contact the school office by phone on 9314 5869

Yours sincerely,
School Leadership Team
Kath Ginnane, Jeff McDonald, Peter Ritchie and Blagma Veljanoska

KINGSVILLE PRIMARY SCHOOL
2016 Parent Payments

Essential Education Items

These include materials that the students will take possession of during the course of the year. The materials will include but are not restricted to:

1. items such as work books and a wide range of stationery supplies and requisites
2. materials for learning and teaching where the student consumes materials and/or takes possession of a finished article

Such items and materials will be used to support free instruction of the Standard Curriculum Program in both the classroom and, within a range of specialist areas including Visual Arts, Performing Arts, PE and Sport and in Lote Italian.

In addition paper, printed materials, photocopying and online assessment and learning programs, will support the provision of the standard curriculum.

Payment Information

How to Make Your Payment

- **Cash or cheque** payments can be made at the main office or given to the class teacher in an envelope clearly marked with family name & amount enclosed.
- **EFTPOS** is available at the main office - $20 minimum transaction (phone or internet payments cannot be accepted). Accepted cards are debit cards, Visa & Mastercard.
- **BPAY** is available for **PAYMENT IN FULL ONLY** using the unique code provided on your Family Statement which is emailed/mailed to parents at the beginning of Terms 1 & 3.

Payment Options

- Payment in full by Friday, 26th February; or
- Payment by two equal instalments (first by Friday, 26th February, second by Friday, 27th July) – **this option is not available for BPAY**.
- If you require more flexible payment arrangements than the two above, please see the Business Manager to make suitable arrangements

Required Payments

| Per child | Essential Education Items | $397.00 |
This donation is requested per family, not per student

Use of parent Voluntary Financial Contributions in 2016

The Kingsville Primary School, School Council has determined that the Voluntary Financial Contributions made by parents in 2016 will contribute towards new playground equipment for the students as there has not been any new play equipment installed at Kingsville for over a decade. There has, of course, been ongoing repairs to the equipment we have but some new engaging pieces are certainly needed. School council is hopeful to be able to provide at least one main new, significant piece of equipment funded through parent Voluntary Financial Contributions next year.

As the year progresses the school council will consult with the community and provide the opportunity for parents and students to have input into what they feel may be the best type of new equipment.

In line with DET policy the amount of the donation is not stipulated but is discretionary. Schools may however suggest appropriate donation levels (see below). All donations will be of great benefit to the school and our students.

Payment Information

HOW TO MAKE YOUR DONATION

- Donations can be made by CASH, CHEQUE or EFTPOS. Please complete and provide a Return Slip (see below) with your payment. A receipt will be provided for all donations.
  - BPAY is NOT available to pay donations.
  - Donations are NOT tax deductible.

- Cash or cheque payments can be made at the main office or given to the class teacher in an envelope.
- EFTPOS is available at the main office - $20 minimum transaction (phone or internet payments cannot be accepted). Accepted cards are debit cards, Visa & Mastercard.

KPS KITCHEN GARDEN UPDATE

There’s been plenty of activity in the kitchen garden over the last week. Five grades have come out and planted vegetables, herbs and flowers including basil, sweet potato, lettuce, tomatoes, kale, silverbeet, chives, thyme, onions, beetroot and more! More classes are getting involved next week so watch this space to see what other goodies are planted.

If you have any of these pre-loved items, please drop them off at the garden:
• Old wheelbarrow
• Old bike
• Timber table
• Timber benches
• Timber boxes
• Gumboots
• Green plastic table and chairs

If you’d like to get involved, our next mini working bee is Wednesday 2 March, 2.30-3.30pm. All welcome!
HOT MARCH NIGHT

Tickets are now available for the HOTTEST night of the school year! So pack your picnic blanket, grab the camp chairs and join the KPS community for an evening of music, food and family fun...... Featuring:

MUSIC
• The Sweet Carolines a talented group of KPS parents & teachers playing live
• DJ Marky B spinning rock and new wave

FAMILY FUN
• Learn to play Bocce
• Join the paper plane comp
• Paint your masterpiece

DINNER
• Gourmet BBQ
• Salads
• Sweets and cupcake stand

DRINKS
• Soft drinks
• Temple Brewing Co Beer
• Shadowfax wines
• Mandala Yarra Valley sparkling

All happening at KPS school grounds, enter via front gate Bishop St. (tickets required)

Hot March Night is a family-friendly event. Alcohol is available for purchase, but we remind all adults to consume alcohol responsibly. Strictly, NO BYO.
