Principal’s Message

As most of our community would be aware Carolyn Withers who was Assistant Principal at Kingsville Primary School for 17 years retired at the end of 2014.

Early in Term 1 this year, we began the process required to fill this vacancy. This Principal Class position was advertised through the government recruitment system and the selection process began.

I am now very pleased to announce to our school community that, following a full selection process Jeff McDonald Leading teacher at Kingsville has been appointed to that position and will officially begin as Assistant Principal from 13/4/2015. I know you will join with me in congratulating with regard to his success.

Share and Connect

Twice a year the levels open their classrooms to ‘Share and Connect’ with the community. The ‘Share and Connect’ provides the students with a chance to demonstrate their growth, understandings and application of the essential elements of the programme – **skills** they have applied or learnt, **knowledge** they have crystalized or discovered, **attitudes** they have demonstrated or developed, **concepts** that promote meaning and understanding and **action** that goes below the surface of the understanding and gives each child the feeling that

they have the ability to create a better world.

At the 'Share and Connect' the students have an opportunity to communicate any or all of these five essential elements. This engagement with the broader community is an authentic way to connect and collaborate with others. Being able to share how we learn and what we know with others ensures our and our audience's learning curve never becomes flat.

The success of the 'Share and Connect' is not judged on a wiz bang poster or diorama from a child's personal inquiry. The focus of the 'Share and Connect' is about the student sharing their learning journey of the unit of inquiry. It is about the skills they utilised to investigate and the attitudes they called upon during the journey – the provocations, tuning in experiences, their personal wondering and assessments. Good inquiry leads us to action and further questioning.

The first of these opportunities begins with the year 5/6s on Thursday 26th March at 10a.m. in the 5/6 classrooms. I encourage you to take the opportunity to engage in these occasions, within and outside your child's level. The 'Share and Connect' sessions are a wonderful chance to delve into the different aspects of learning for the students as they journey through a unit of inquiry.

ANZAC Day

'Who we are' and 'Where we are in place and time' - A family inquiry

With the 100th anniversary of ANZAC day on the 25th April this year what a wonderful opportunity for the families of Kingsville Primary School to acknowledge their historic connection to this significant event in Australia's history. Our library /resource centre has already begun creating an exhibit about this event and it would be wonderful to have authentic and relevant connections added to the display through the perspectives of Kingsville families.

Those families that are interested in this inquiry and have a family connection would be asked to create an A3 page display telling the story of their family's connection to ANZAC Day. For those families who do not have a family connection, you could still be involved by creating an A3 page display telling the story of a significant person, place or event from this part of our history.

Cross Country News

Thank you, thank you to all of the parent helpers and teachers who made this year's Cross Country run smoother than it may have! It just goes to show what an amazing community we have here at Kingsville.

The children showed great commitment to run either two kilometres or three kilometres, and for some little legs, this was a very long way. Congratulations to all children who participated and earned points for their house.

A full list of children who have qualified for the District Cross Country will be published next week. First three placegetters will also receive their ribbons in assembly next week, along with the announcement of the points for each house.

Swimming News

Congratulations to the 16 children who were part of the group representing the Maribyrnong District at the District Swimming Carnival held at Oak Park last week.

From this day, the following children will be participating at Geelong next week, which is a huge achievement:

Stefan Holmes	9/10 freestyle 9/10 backstroke
Sophie Parnham	9/10 backstroke 9/10 breaststroke medley relay
Amelie Le Grand	11 breaststroke 11 butterfly medley relay
Veronika Puohotaua	12/13 breaststroke medley relay
