Principal's Message

It is with great pleasure that I can finally announce our school will in 2015 gain a new boundary fence. As Principal this is something I have wanted to be able to facilitate for a very long time. I know that it will provide both security and, a suitable statement of permanence around our heritage building and large site.

We are lucky to have an historic and significant school building opened in 1919 at the core of our learning environment. There have been many building additions and upgrades over the years to this building however, the site has only ever had across the front and side street frontages, the small cyclone fence.

Overall fencing work over the last 20 years has included some improved and higher fencing around the oval and at the back of the school site to Cruickshank Park. Improvements to other boundary fences unfortunately have just not been financially possible.

Some time ago School Council began the planning for our **fencing improvement project** and details and costings were completed in 2014. Final refinements and scheduling of the project have now been made and, the work is expected to take place during the next term break.

No funding for fencing as such is provided by the government so, this is a significant achievement for our school community. Resourcing decisions and fundraising efforts over the last 4-5 years in particular, have certainly assisted in keeping this project alive and a continued priority.

The fence will be constructed out of black powder coated steel square units, 2.1 metres in height. There will be brick pillars at two main entrance points to the

General Guidelines for Parents when making any Payments to the school:

End of Terms 1, 2 & 3 All payments need to be made prior to 10:00am on the last day of term.

End of Term 4 All payments must be made 2 days prior to the end of term.

Cash Payments Correct money is requested, as change cannot always be provided.

school and our current signage will be integrated into the overall design. There will no longer be the very difficult padlocks and chains for each gate and new locking devices will be very welcome. These should also allow for greater possibilities for keeping certain gates closed for longer periods during the school day.

Fundraising this year will again assist with the budget to complete the project and hopefully ensure the addition to our signage of wording to signify our status as an **International Baccaulareute World school**. So keep this in mind as you contribute to and participate in, our 2015 events.

Please note - many schools do have this type of fencing and locally you can see examples at Footscray North or Yarraville West Primary.

More details as they become available.

Principal's Project 2015

In the newsletter last week I outlined my project for 2015. Thank you to families and students who have already sent in some wonderful interpretations of **Appreciation**.

Week two focus

Commitment – being committed to our own learning, persevering and showing self-discipline and responsibility

A great deal of opportunity here to talk about, draw and write about what **commitment** to learning means to the individual i.e. as a student, parent, family unit, class member or educator.

Guidelines

Please refer to guidelines provided last week and adjustments as below

- it is obvious now that the limited display space for each **attitude** calls for 'postcard size' (10.5cm x 14.8cm) being the most suitable

Birthday Parties

At times parents will send birthday party invitations along with their children to be distributed to class members or children in other classes.

Please note teachers are not able to hand out such invitations or, allow children to leave class to distribute them to students in other classes. Children may give out invitations themselves but please note, this can be a big ask for little ones and can be at the best of times an opportunity for upset. Therefore just be aware that this can be an issue and try to find other ways to distribute party invitations whenever possible.

Grounds Working Bees 2015

Saturday 16th May Prep-2 – 9a.m. – 12p.m.

Parent working bees are vital in all government schools. Parent assistance is gained at Kingsville across a range of areas and is always appreciated and highly valued. The *grounds working bees* provide a specific and much needed contribution to the overall challenge of grounds maintenance and development.

This year School Council has determined working bees will take place on set dates (see below) with a P-2 or 3-6 focus. The Buildings and Grounds Sub Committee on behalf of School Council, wish to stress that whilst there will be this focus parents from any level of school are welcome to attend and participate at any one of the working bees.

Both Saturday and Sunday dates are included throughout terms 2,3 and 4.

Term 2

16th May (Sat) P-2
14th June (Sun) 3-6

Term 3

1st August (Sat) P-2

Term 4

Nov 22nd (Sun) 3-6

So, our first working bee is coming up very soon – next Saturday. Please bring gardening tools e.g. wheelbarrows, brooms as possible. Come for an hour or come for three hours, it's up to you.

Dale Schumann, school councillor is parent manager for this first working bee.

Grounds Safety - decks

We have large areas of decking around the school including

- main deck at the back of the hall
- around the kitchen and side of the art room
- steps constructed out of decking boards leading down from the prep classrooms

All of these can become slippery in wet weather and as a safety precaution a nonslip transparent textured coating will be applied to them in the near future. At the school level children are often reminded not to run across these areas when they are wet and we ask parents to assist us by giving the same message,

Issues in the playground

Before and after the school day there will always be numbers of parents in the grounds. Being able to bring your child/children to school and collect them when possible should be a happy occasion. Inevitably sometimes there will be issues that come up between parents relating to their child and another child or children.

I ask all parents to never 'take the law into their own hands' so to speak with regard to any problems. If there is an issue relating to a student at Kingsville i.e. your child or someone else's, you need to bring this information to myself or Jeff McDonald, Assistant Principal.

Fundraising

Thank you to Anna Swan and members of the fundraising sub committee who in record time organised a wonderful Mother's Day stall. A huge effort in gaining the 'goodies' and packaging them up so beautifully and providing this opportunity for Kingsville students.

The excitement continued at Friday morning assembly with the raffle draw and congratulations to the winners – Ava Leach, Zoe Brown and Betty Petrovski.

Thank you to parents who contributed prizes and all of you who bought raffle tickets.

School Photos 2015

School photos will be taken on Tuesday 2nd June. Photo packs will go home next week with students.

Sibling order envelopes will be kept as usual in the main office. If you would like a sibling photo taken on the day please, request an 'order envelope' to be sent home or come in and collect one.

THESE ENVELOPES DO NOT COME BACK TO SCHOOL BEFORE TUESDAY 2ND JUNE.

Please clearly mark this date on your family calendars as we do not want upset children on the day if they don't have their envelope.

Teachers will collect the envelopes in the morning and they then hand them back to the children when they go off to have photos taken. Children will then give the envelope to the company employees on the day.

Families can also order their school photos securely online for both individual student photos and sibling/family photos. Please note that envelopes are not required at school when ordering online.

At the end of this newsletter is an instruction sheet for both ordering online and ordering via an envelope.

Sports News

Well done to the 57 children who represented Kingsville Primary School at last week's District Cross Country event held at Yarraville Gardens. It is always a delight to take children out of the school who do such a wonderful

job of showing tremendous sportsmanship and a fantastic attitude.

Thanks to the parents who came along and not only supported our children, but helped ensure that the event ran smoothly. Thank you also to Anna Terzi and Blagma Veljanoska who helped at the event and to Greg Milholland who took the PE classes.

The following children will now be representing our District at the Divisional Cross Country being held on the 28th May at Brimbank Park:

9/10 Girls: Essie Houghton, Carla Vallejos, Lulu Greer, Tessa Millington

9/10 Boys: Sam Heinnen, Mackenzie Leith, Austin Baker

11 Girls: Orla Grenfell Fox, Amelie Le Grand, Grace Atherton

12 Girls: Bella Stingfellow, Saskia Junge, Coco Knowles, Marisa Vallejos, Kiara Ciancio-Knauer, Cecilia Karlovic

12 Boys: Gus Greer, Angus Dart

Thank you
Lorey Bentley, PE/Sports teacher

Class Rep Network

We had an overwhelming response this week and our Class Rep Network is looking very healthy – thank you.

Parents play a vital role in our school and your contribution in this role makes a big difference to the schools success. Mums, dads, carers, new and seasoned Kingsville parents are invited to put their name forward as Class Rep for their child's class. It is a relatively easy task for someone who is slightly organised, likes meeting new people and enjoys social gatherings.

To nominate please email your child's class, name and contact details to petra.fawcett@gmail.com
An information session will be scheduled for the end of May. Details to follow.

Please find further in this email a list and details of parent reps so far.

Thank you
Petra Fawcett, Parent Rep coordinator

Friday 19th June
Family Movie Night and Parents'

Café in the school hall, doors will open from 6.15p.m.

Tickets go on sale soon.

Dinner, snacks and refreshments will

be available for purchase on the night.

It is sure to be a great family night out.

Thank you
Amanda Mllington, Alison Webster and Meredith Jaffray - event organisers
