Principal's Message

Emergency Management

At Kingsville Primary we are committed to providing a safe and secure environment for all students, staff and any visitors to the school. We take our duty of care responsibility very seriously and like every school and education and care service in Victoria, we have an Emergency Management Plan.

Our Emergency Management Planning team work through appropriate risk management processes to identify potential risk and plan responses. Being prepared for any emergency is paramount and therefore, response procedures and training of staff and children through appropriate drills is essential.

Yesterday we held a full school **lockdown** drill and today, we followed up with an **evacuation** and we are currently reviewing the whole school response to these actions. I am pleased however to report that overall students and teachers followed procedures and requirements to a very high standard.

It is important to note that teachers do talk to students age appropriately about the importance of the actions such as lockdown or evacuation. Of course they are not aware of when the drills will take place and the unexpected sirens can for some be a little disturbing. At times even with the best classroom preparation and follow up, there may be some children particularly young ones, who may express a few concerns following a drill. Parents can assist our efforts with positive words, praise and by showing interest if children talk about the drills at home.

Visibility vests

The new staff visibility vests were modelled at the Friday morning assembly today. Children were made aware of the different coloured vests that staff will wear for yard duty, local walks and emergency

General Guidelines for Parents when making any Payments to the school:

End of Terms 1, 2 & 3

All payments need to be made prior to 10:00am on the last day of term.

End of Term 4

All payments must be made 2 days prior to the end of term.

Cash Payments

Correct money is requested, as change cannot always be provided.

management drills. Thank you to all staff, students, our emergency management team and, our Fire Wardens led by Chief Fire Warden, Alison Michetti.

Grounds Working Bees

As outlined in the May 8th newsletter assistance gained through grounds working bees is always highly valued. This voluntary work provides a specific and much needed contribution to overall school grounds maintenance and development.

In 2015 working bees will take place on set dates and have either a Prep - 2 or 3 - 6 focus. Parents from any level of the school however are always welcome to attend any working bee.

Our first working bee was held on Saturday 16th May with a Prep-2 focus. Over 30 parents attended on the day, they were inducted and a great deal of work was then carried out.

Now we are moving to a year 3-6 working bee on Sunday 14th June.

So come on 3-6 families, there are 330 students in this level and we are hoping for a great turn up. Volunteer parents able to participate on the day will continue with overall grounds clean up and "beautification" work.

Please note

- there are specific Occupational Health and Safety requirements and procedures that must be followed prior to, and during, any volunteer work taking place at the school
- when a parent arrives for a working bee they need to report to the person in charge of overall management and induction for the day – this person will be a DET employee
- an induction/sign in "station" will be situated near the 5/6 classrooms therefore entering through the main school entrance in Bishop Street will provide best access
- induction for working bees remains current for a year however, even if parents have been inducted at the P-2 working bee they need to sign in
- please bring gloves to wear and make sure you have suitable footwear

Children attending working bees are obviously on the grounds at a time other than the school day and when this occurs they are not considered as "students". Parents need to understand that they have full 'duty of care' for their children during working bees. Children may do some gardening,

sweeping, weeding etc. however they must be supervised and be wearing gloves.

Please return the slip at the end of this newsletter.

School photos

Well done to everyone who helped make photo day a success. Usually we are able to have class photos taken outside in various locations around the grounds. The weather however was against us but, the photographers did a great job and took all the class groups, individual and sibling photos in different parts of the hall.

An increased number of parents ordered photos online this year - well done this cuts out the need for remembering the envelope on the day and is helpful for all involved. We did have a significant number of parents coming in on Tuesday morning however to fill in orders including sibling orders. I thank them and office staff for their patience in waiting and working through this.

It is important to note in working to streamline and improve the 'whole school photo experience' that

- all orders in payment envelopes should be filled in and sealed with correct money well in advance of photo day
- the school office does not and cannot, keep quantities of cash to give change to parents
- sibling order envelopes do not go home but, as in past years were available from the main office for a number of weeks prior to photo day

We now look forward to some beautiful photos and these should be delivered to the school in approximately 6 weeks. Some group photos were taken of school captains, vice captains, junior school council and choir. Parents will receive information regarding how to view and order these when the photos arrive.

Student Free Days (to begin term 3)

Just a reminder that Monday 13th and Tuesday 14th July, the first two days of next term are School Council approved student free days. These dates have been noted in 'Dates to Remember' in the newsletter over the last month and information was first provided to the community back in the newsletter of 6th February.

Each year Government schools in Victoria receive four student free days for professional development, school planning, administration, curriculum development and student assessment and reporting. The first day of Term 1 is a designated day across the state – the remaining 3 days for Kingsville are:

Term 3 Monday 13th July and Tuesday 14th July (first 2 days of Term 3)

Term 4 Monday 2nd November

Please note - we do not usually have two student free days one after the other however in 2015 there is a specific need that necessitates this. As an International School authorised to deliver the Primary Years Program, focused professional learning development is required and of course desired. Some of this is undertaken by staff during term holiday breaks and other components need to be provided for all staff working together in school workshops. The July workshop planned for 13th and 14th will be run by two educators approved by the Asia-Pacific office of International Baccalaureate.

So a slightly longer term break with the school term for students beginning on Wednesday 15th July.

Principal's Project 2015

Thank you for the cooperation contributions sent in over the last week.

This week the attitude we are focusing on is

***Enthusiasm
Entusiasmo***

Week Six focus

Enthusiasm – enjoying learning and willingly putting the effort into the process

Again, a great opportunity here to talk about, draw and write about what ***enthusiasm*** means in your family.

Drawing, poems, sketches, pictures to illustrate your thoughts on enthusiasm are needed for the display.

So take time to have a go as a family and don't forget to send these along or put them in the marked box in the office.

Late arrivals to Friday morning assembly

When students arrive late for Friday morning assembly they are to enter the school hall through the doors on the Bishop Street side of the hall.

Visual Arts

3-4 students are just beginning a new Unit designing and making a 3D sculptural piece using papier-mache and other materials for decoration. On Thursday 4th June 3/4E were lucky enough to have a skype conversation with international shoe designer, Andrew Cox, from Kustom footwear. Kustom design and make shoes for street wear – www.kustomfootwear.com.au.

Some of the interesting things we learned included:

- the process of shoe design from research to the final product in the stores;
- that sometimes crazy ideas can work. Last year Andrew created a thong with fake grass on it for fun and it was a best seller;
- that Andrew travels around the world to research the best shoes and learns from that to design his own;
- that not all designs work so Andrew just picks himself up and goes back to the drawing board!
- that the best way to become a shoe designer is to draw, draw, draw.

Sport News

Well done to the 18 children who went to Brimbank Park last week to compete in the Divisional Cross Country. A big thank you to Ian Phillips who went with the group. From all accounts they not only competed strongly, but were a great role model for our school and the District.

From that event, KPS now has 8 children going on to the Western Metropolitan Region Cross Country next Thursday 11th June. Congratulations to: Lulu Greer, Essie Houghton, Orla Grenfell-Fox, Amelie Le Grand, Gus Greer, Bella Stringfellow, Saskia Junge and Coco Knowles.

Last Friday grade 5 and 6 children from KPS competed in the Winter Sports Gala Day. Again, all the children showed what fantastic children they are with their behaviour and general sportsmanship. Thank you to all the teachers who made the day a success and to the parents and other volunteers who helped out as well. These days cannot happen without you.

Congratulations

A big congratulations to Amelie Le Grand who has qualified for the Victorian Swim Team and will be competing in the Pacific School Games. These games will be held in Adelaide in November. It is a wonderful achievement and we wish you all the best.

If parents/children have any sporting achievements that have happened outside of school and they would like to share, please email Lorey with the information. bentley.loreyn@edumail.vic.gov.au

Class Rep Network Update

We did it! Well done Kingsville families, we have a full list of Class Rep's within the network. Thank you again. Now the fun begins!

Your class reps are in the process of gathering contact details for all families which will allow us to engage with all families for social events and entertainment. There have been some great activities already held by various classes and lots of great feedback from families who have been involved.

Thank you again to everyone, the connections we form through this network represent the great community spirit we love about Kingsville.

Any suggestions or thoughts, please contact petra.fawcett@gmail.com
