## Assistant Principal's Message

### Nationally Consistent Collection of Data on School Students with Disability

Our school is participating in the Nationally Consistent Collection of Data on School Students with Disability (Data Collection). This Data Collection is taking place in government, Catholic and Independent schools across Australia, and will provide valuable information about supports required for a broad group of students. This will enable Australian and State governments to better target support and resources in schools. This in turn will help schools give students with disability the support they need.

The Data Collection is not limited to students with diagnosed disabilities. It uses a very broad definition of disability, taken from the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, which describe a broad range of health and learning conditions for which schools are required to provide 'reasonable adjustments' to support students to participate on the same basis as other students.

The Data Collection will take place during Terms 2 and 3. No personal or identifying information about any student will be included, however if you decide you do not wish information about your child to be included in the Data Collection, you can opt-out by signing and returning the opt-out consent form. More information about the Data Collection is available on the Department of Education and Early Childhood Development website at:

<http://www.education.vic.gov.au/school/parents/needs/Pages/nccd.aspx>

## School Musical Production News- “Pinocchio”

With only a week to go, there is a definite buzz around the school this week. Last minute costumes being made, props in the final construction stages and photos being taken all building towards our first performance next Tuesday 24<sup>th</sup> June.

The students have worked so hard through the term, rehearsing lines, learning songs and dances, all through their lunchtimes and after school.

The story is based on the well known tale of a lonely puppet maker and his mischievous creation. Our production is filled with wonderful characters-puppets, eerie miracle folk, friends of the forest, naughty school children, toys, clowns and sea creatures.

It is not too late to purchase tickets-we guarantee you will have a great night of singing and dancing.

Please come along and support our fantastic students in our annual music production.

Carolyn and Blagma

## ART News SHOW

### Art Show Silent Auction **Talented Parents and Community Members**

At this stage I would like to invite interested parents and community members with a flair and a passion for creating their own artworks to consider donating an art piece. This would then be displayed and sold off during the art show via a silent auction.

I am happy to accept a range of art including painting, prints, photographs, ceramics, sculpture or textile works. They would all be very much appreciated. The silent auction was a great success at our last art show and we are hoping for continued support in 2014. Please note all monies raised contribute towards the 2014 fundraising target. Please let us know if you are able to contribute in this way.

## Kingsville Sporting Round Up

### Cross Country

Last week at Brimbank Park, Bella Stringfellow, Sam Komp, Coco Knowles, Saskia Junge and Sam Heinnen competed in the Western Victoria Region Cross Country. This region consists of hundreds of schools and now stretches as far as Geelong, Bacchus Marsh and Macedon. All of our students ran with great commitment and energy. Bella came fifth in the 11year old girls. Sam Komp came in the top twelve in the 11year old boys. Saskia, Sam Heinnen and Coco finished in the top thirty in their age groups. As a result Bella and Sam Komp will now compete in the Victorian State Finals on Thursday July 17<sup>th</sup>. We wish them good luck.

### Winter Gala Day

On Monday the grade 5 and 6 students participated in the Yarraville District Winter Gala Day. The sports played were hockey, soccer, softball, AFL and netball. The students played with enthusiasm, co-operation and integrity. Together with the girls' tee ball team who won the District Final in Term One, the girls' hockey, boys' hockey and girls' soccer team won their competitions and will be playing in a Division Final at the beginning of Term Three. The Gala Days can only be successful with the assistance from family and friends of Kingsville Primary School. Thank you to the following people who assisted with coaching, umpiring or managing teams: Jo Kehoe, Karen Hickey, Sarah Mullaney, Connie Girvan, Graeme Beer, Hayden Kelly, Pat and Cathy Green, Jamie McCarthy, Stuart Nicol, Fiona Stingfellow, Paul Nelson, Sally Green and Anthony La.

Special thanks to Deb Nelson and Nerelle Collinder who umpired the netball at Whitten Oval.
