## Principal's Message

### Planning for 2015

Planning for 2015 school year has begun and everything from staffing levels, the number of class groups and budget possibilities across all areas of school provision is dependent upon the actual number of enrolled students.

Decisions regarding school organisation for 2015 will be made throughout Term 4 and as far as is practicable, most aspects will be determined by early December.

This work is always challenging as there are a myriad of considerations and industrial and legislative requirements to be met. Being accurate as early as possible in making predictions regarding our enrolment for the following year is vital.

So if you are e.g.

- moving schools permanently
  - not going to be here for a significant time next year
  - moving during Term 1, 2015
- please let us know now if you have not already done so.

Please use the return slip with the heading

**Will your child/children be at Kingsville in 2015?.**

### Prep enrolments for 2015

Currently we have 87 preps enrolled for 2015. If you have a younger child in your family who is due to begin Prep in 2015, you need to contact the school now. We need to confirm your place by Thursday 18<sup>th</sup> September to ensure we have all necessary details as we prepare materials for our November 2014 **Transition to School Program**. In addition if you have friends/acquaintances who you know will be

### General Guidelines for Parents when making any Payments to the school:

looking to enrol their child at Kingsville for 2015 please give them a reminder.

Please note families who have enrolled for Prep by Friday September 5<sup>th</sup> should receive their transition program book by the end of September.

### Congratulations

To **Vita Budlender**, the fundraising team, volunteers and school community for supporting the Bogan Bingo event last Saturday evening. A huge success at every level apart from the "hideous" clothing.

To **Senior students** year 6 and staff who have participated in their trip to Canberra this week. Reports in tell me great behaviour, full engagement, enthusiasm, appreciation and enjoyment - a great score card. Parents please expect very tired children this weekend.

To **Emily Fredricks 5A and Austin Nelson 5C** who laid wreaths at the 'Pool of Reflection' at the Australian War Memorial last week. A display celebrating the participation of Edith Beattie, Finn Craig, Emily Fredricks and Austin Nelson will be put up in the main foyer in the near future. Well done Kingsville students.

To **Mr Hodgart** our long time school historian who, along with Mrs Hodgart and a few volunteers has organised a school reunion for this Saturday. This event was originally planned as a relatively small function to mark our 95<sup>th</sup> birthday however, interest has grown and past students and family are coming from near and far and we expect quite a crowd.

To **Student leaders** who will be participating in the reunion conducting tours and making speeches.

To **Nicole Virtuoso** and the fete team – planning is well and truly under way for the KPS Spring Fete to be held on October 18<sup>th</sup>. A set of materials about the Fete will go home to all families today.

To **Year 6 students** who last week participated in a full day 'conference experience' to mark the beginning of their work towards the year 6 PYP Exhibition. The exhibition takes place on 22<sup>nd</sup> and 23<sup>rd</sup> October.

Thank you to **Olive Oil & Butter**, local bakery/café for their generous donation of some delicious items for the school reunion morning and afternoon tea.

### Parent Opinion Survey

Thank you to the families who returned their surveys by the due date. Fifty two surveys have been sent off. The few that came in late, have also been approved to be included in the Kingsville data. DEECD will provide details later in the year regarding the information collected and this will be reported on in the school Annual Report which is completed by the end of March each year.

### Where in the world are you reading?

Added to the collection this week:

- **Jack Hardison and Mark Kazoglou** reading in a Barnes and Noble bookstore in New York, USA

# 2014 School Concert

These important nights are coming up in the last week of this term which is actually only 5 weeks away. The concerts will be held at the Williamstown Town Hall which has proved to be a very popular venue over the last 6 years. The capacity of the hall ensures that we do not need to restrict ticket sales so extended family members are most welcome to attend.

To 'old' Kingsville families so to speak, you all know very well what wonderful events school concerts are. To Prep parents and other new parents for 2014, get ready for a treat and have cameras, phones or whatever devices ready to record some precious memories.

Please mark the date down on your family calendars when your child/children will be performing

**Night 1** – Wednesday 17<sup>th</sup> September  
or

**Night 2** – Thursday 18<sup>th</sup> September.

(see list of grades and night allocated in the body of this newsletter).

NB. The listing of grades however does not necessarily reflect the order of performance on the night.

## Bishop Street Entrance Renewal 3/4 Working Bee

**Sunday the 24th of August 2014, 9.30am -12.30pm**

We're having a Working Bee to spruce up the main entrance of the school on Bishop St. This is a great opportunity to help beautify the school plus catch up with other parents. Working bees are highly popular with the kids as they can help out and see the difference it makes. Tasks are varied so we're sure you'll find something that suits your energy and skill level! At this working bee we're planning to weed, sweep, clean, dig and whipper snip and plant. If you have a wheelbarrow or some garden tools feel free to bring them along. A limited number of shovels, rakes and barrows available.

Come for an hour or all morning. We'd love to see you there! Morning fruit snack, tea/coffee and a sausage sizzle for lunch, will be provided. Remember, parents and children of all grades are welcome!  
Leah Mannion, Building and Grounds sub committee
