Principal's Message

This week we celebrate and acknowledge the life of Robert Lyon and mourn his passing. Robert, a Kingsville dad, passed away on Tuesday 2nd September. Robert carried out many roles during his lifetime and as a freelance actor touched lives and bought joy to so many people. He was an inspiration to us over the many years he fought his illness and, for so long he just kept going encouraging others and taking it a day at a time.

He was of course above all one of our community and a long time Kingsville parent. Many of our current families know Rob, Victoria, Joe Henry (past Kingsville student) and of course our treasured Gabriel Lyon, 'Gabe', currently in year 3.

I know you will join with me in publicly expressing deepest sympathy to Victoria and the family.

Rob your humour, strength, resilience and optimism will always be remembered and your memory will live on at Kingsville.

There will be a memorial service for Rob on September 19th last day of term 3 in the afternoon. Further details of this will be provided to the community from Victoria Jones as they become available.

Congratulations to Kingsville teachers who hosted a "**PYP School Teach Meet**" here last Tuesday afternoon. Such meetings are planned at various PYP schools during the year and it is always a great networking and learning opportunity. Teachers from a range of PYP, government and independent schools come together at these meetings to share ideas and present examples of good practice and focus in on inquiry based teaching and learning. through twitter, use of blogs, skypeing and many other forms of communication develop and flourish due to these meetings.

At the Kingsville *Teach Meet* there was attendance by staff from schools as close by as Footscray Primary School and Essendon North Primary School, and as far away as Mount Scopus Memorial College in Burwood.

As Principal, I was very proud to hear Kingsville teachers Emily Keeling, Mik Weir, Peter Ritchie and Hilary Fairlie share Kingsville stories and ideas with this group. Well done Jeff McDonald, our PYP co-ordinator and all participants.

Congratulations to year 6 Kingsville students who participated in the great K-Mazing Race on Tuesday. This was an exciting “amazing race” experience with the newly formed Exhibition teams working together to “bond” and solve specific problems set by staff. Students were required to move around the school, ask questions, and locate information all within a set time frame.

All specialist teachers at PYP schools are involved in the Exhibition process so, well done and thank you to Hilary Fairlie and specialist staff, teachers and support staff for ensuring an engaging experience.

Congratulations to everyone involved in the planning, organisation and implementation of the school fun run. Thank you for the dollars that have been donated in cash and online so far. This money will now contribute towards the much needed upgrade project of the quiet play area. This is planned to take place during the upcoming term break and there will be more news before the end of term.

This survey was included with the August 29th newsletter. So far the Community Public Relations subcommittee of School Council has only received a small number of returns. The survey is included again this week – please take the time to respond. Information gained will be very helpful in working to enhance our current website.

Staffing Updates

Carolyn Withers, Assistant Principal is on long service leave until October 9th

Leighanne Davies has began as the year 6B teacher on Monday 25th August taking over from Mori Milholland who has taken parental leave

Monica Gallivan began as the new Prep C teacher earlier this term

Italian Day

Learning a language at a PYP school focuses on not just the learning of the language but also building the understanding that languages are able to build and promote international mindedness. They represent culture and heritage and this is celebrated and acknowledged in our ‘Language other than English Program’. So let’s begin thinking in ‘red, green and white’ as we get ready for Italian Day.

Yes there is a bit of free promotion by the Italian staff for Italian businesses in the newsletter today, I must let them know we have provided that and ensure they ‘pay up’ so to speak with some support for Kingsville when required. Seriously of course, thank you to everyone involved in Italian Day preparations.

Fundraising

Thank you to our very active fundraising team for providing students with the opportunity for gift buying at the Father’s Day stall.

Italian Day

Mark the date in your diaries as if you haven't booked yourself a trip to Italy this year... this is the next best thing. More information to come in the following weeks but we would like the

children to start preparing for the day. Here is a list of some fun activities you can do in preparation:

- eat/cook some Italian food at home
- take a trip down to Lygon Street for dinner one night (Carlton or Brunswick East end)
- eat some Italian cake and coffee (for the parents) at Brunetti in Lygon Street, (Carlton)
- learn the Kingsville Oath in Italian
- practise talking with someone Italian in the community
- play/watch a soccer (calcio) game
- check out the Brunswick East end of Lygon street: Go for a gelati at the Gelobar (74 Lygon Street East Brunswick), 400 Gradi for world best Margherita
- watch Pinocchio
- listen to some Italian music i.e. Andrea Bocelli, Opera or even visit Mondo Music while you're in Lygon Street (Brunswick East end).
- get everyone in your family to say buonanotte (goodnight) in Italian at bed time and buongiorno (good morning) every morning
- have a play on languages online: <http://www.education.vic.gov.au/languagesonline/italian/italian.htm>
- download and play some free Apps for ipad or iphone: Learn Italian Phrasebook, Learn Italian Free Phrases & Vocabulary, Italian Recipes and Scopa

These are just a few ideas, but we are sure you will think of many more. Be sure to share how your Italian Day preparation is coming along with your Italian teacher.
