Principal's Message

As we come to the end of Term 3 I would like to thank all members of our learning community for their hard work and support throughout the last 10 weeks. Teachers, parents, support staff, students, school council members, extended family and volunteers, all come together on a daily basis to create the wonderful learning environment we have at KPS.

I wish everyone a great term break and look forward to seeing all students back on Monday October 5th for the last term of 2015.

Fundraising News

Major fundraising event for Term 4 2015

What excitement and what a fabulous prize. This is the major fundraising event for Term 4 and arguably the major event of the year. We need this to be a **huge** success and hope that every family will join in, purchase the tickets that will be sent home and, hopefully be able to sell some more to family and friends.

It is a significant prize and I thank the fundraising team for their work in organising this. Gaining the licence to hold a raffle of this magnitude and getting all the materials in place to send out to families is a huge organisational task. Thank you to Anna Swan, volunteers and Max Garrock, committee convenor.

Community raised funds are a necessary and very valuable source of income for all schools. Every year a target figure is listed as part of the school income and money raised via activities planned by the

General Guidelines for Parents when making any Payments to the school:

End of Terms 1, 2 & 3 All payments need to be made prior to 10:00am on the last day of term.

End of Term 4 All payments must be made 2 days prior to the end of term.

Cash Payments Correct money is requested, as change cannot always be provided.

fundraising committee, provides funds to support components of our many school programs.

PRIZE

A Hamilton Island holiday for 4 people valued at over \$3000

Please note each family will receive home one book of 20 tickets early next term and have over four weeks to sell them.

Further details will be included in the ticket pack sent home.

Planning for 2016

Planning is well underway and knowing student numbers for next year as early as possible in the term is vital. If your child/children are leaving Kingsville parents **MUST** fill in and return the slip provided with each school newsletter during term 4. Just telling the class teacher is not enough we must have details of the move in writing.

Preps for 2016

Final Call

The "Transition to Prep Program" is coming up in Term 4 on November 6th, 13th and 21st and it is very important for as many as possible of our 2016 Prep cohort to be involved in this experience.

Any questions relating to enrolment overall please email to Principal – Ginnane.Kathleen.KM@edumail.vic.gov.au

Grounds Working Bee

Term 4

Sunday October 18th - years Prep-2 focus

Sunday November 22nd - years 3-6 focus

Remember however parents from any level of the school are welcome to attend and participate.

Please mark these dates down on your planners now. There will be ongoing reminders in the newsletter, on the website and notes in the week prior to each working bee.

RESPONSES REQUIRED

Planning for working bees is required, we need to ensure that

- Occupational Health and Safety Induction arrangements are in place
- the priority work is planned and the tools and materials are ready
- the morning tea and sausage sizzle items have been bought
- the bbq and gas is ready to go
- an induction officer and working bee manager are able to attend

Therefore we do need parents to respond in advance i.e. by the Thursday prior to each working bee at the latest.

WAYS PARENTS CAN RESPOND

- print off and send back a hard copy response slip that will be with newsletters and return via class teachers or the main office
OR
- email a response to the school

Student Action

A huge congratulations to grade 5C for their fundraising actions. The children, individually or with partners, designed, organised and conducted various activities through which to raise funds for the Nepal earthquake victims. These actions were entirely their own with no assistance from the teacher other than encouragement and advice. They did it all, with some baking and lemonade making from helpful parents. Thanks parents.

Through their fantastic and generous actions, they have raised in excess of \$1,300. What a great effort, and what a generous community we have. This money will go a long way in providing much needed materials for village people to reconstruct their homes and lives. It will also help stock a local village school with supplies, something our children can relate to.

We hope to establish and maintain a communication with a particular village to see how our fundraising is helping.

The funds will be taken to the village of Magha Pauwa in Nepal by Julie Haywood, a school community member, who has regularly visited Nepal to trek and volunteer over a number of years. This will ensure that the money goes directly to the people who need it and who will make best use of it in their daily lives. A fantastic effort by the grade 5C children who demonstrate to us all what it is to live the PYP.

Visual Arts News

Pop Art Gallery

At the end of the day on Tuesday 15th September students from grade 5 and 6 greeted parents at the schools gates with some artwork that they had been working on. Students lined up proudly holding up their individual expressions. This ensured parents stopped stopped to browse the work. Some comments from students were:

Caitlin – It was fun because I was able to show my work off to everyone, people were actually looking at it. The person who made it was holding the work up rather than like at a gallery when it is hanging on a wall.

Beth – It was windy and a bit tricky to hold onto our artwork but it was fun. We put a great deal of effort into our work and it was really nice to have people enjoy looking at it and acknowledging our efforts.

Veronika – Parents were surprised to see students with artwork at the school gates. It was nice that they didn't have to go anywhere but just walked through the gates to see all this artwork on display.

Maddy – I had loads of fun and would like to do it again if we can.

Please see photos at the end of the newsletter.

Message from the Community Public Relations sub-committee of KPS

As part of its 'community role' the CPR sub-committee wishes to remind parents to support Yarraville Village Traders in terms of the recent introduction of paid parking. The committee would like to make families aware that there is no metered parking on Sundays and Mondays or before 8a.m., or after 6p.m. and that there is still free parking available in and around the Village.

Many of the traders have been huge supporters of KPS over the years through assistance with fundraising, donations and sponsorship. Support to them now by our community is a way of responding to their generosity.

Kate Doyle and Moira Junge, CPR sub committee
