Principal's Message

The end of Term 3 is traditionally highlighted by our much loved yearly school concerts and this year was no exception.

What a delight it was to see, hear and experience 25 groups of endearing, enthusiastic and joyous performers up there on the big stage on Wednesday and Thursday nights.

So many 'wow' moments and laughs, as they engaged with the audience in many different ways. From the preps and young performers waving to their parents and getting the absolute most out of their moment of fame, right through to song, dance, use of student scripts and great story telling across all levels.

Primary school concerts provide golden moments and so many great memories and I know parents and staff alike are very proud of our wonderful students. School concerts of course are always a team effort with class teachers, specialists, support staff and parents all working together to encourage the children and ensure their successful participation.

Special thanks this year to:

- **our amazing student MC's** – Maddie Whiteside, Alyana Arellano, Sam Komp and Harriet Selleck on Wednesday night and Mimi Grenfell-Fox, Caitlin Sheard, Clara Holmes and Brigit Ingram on Thursday night
- **the choir** – trained by Hilary Fairlie with assistance from Carolyn Withers
- **staff** taking on specific roles front and back stage
- **Nicole Shirreff** for her strategic management of ticket sales and a number of related areas
- **Trish Harris** for her creative costume contributions

- **parents** Mel Goffin and Elena Mandalis who provided time to assist with the important rehearsals
and finally, but very importantly
- **Hilary Fairlie**, our Performing Arts teacher and concert manager who skilfully supported and guided staff to ensure all grade groups were able to fully participate in the concert

Measles alert

In the last newsletter there was a short item regarding a Measles alert in Melbourne.

NB. in this article it stated that Measles is also known as Rubella.

Correction/additional information - Rubella (or German Measles) is distinct from measles. Rubella is an infectious viral disease of humans and although in most people the infection is mild, infection in early pregnancy can cause serious birth defects or miscarriage. For further information please see Victorian or NSW government health fact sheets.

Where in the world are you reading?

Added to the collection this week:

- **Lloyd Deunk** reading at Melbourne Museum
- **Linda Kitanovski** reading to her cat, Levi

Thank you very much to all students and families who have contributed to the 'Where in the world are you reading?' project this year. Photos may still be sent in after the holidays and up until the end of October. Then I will begin to compile the 2014 'Where in the world are you reading?' memory book. This will include some written comments from the students regarding their locations and the choice of books they were reading.

Quiet play area upgrade

This area will have a major overhaul during the term break with a new safe surface and attractive seating being installed. There will also be some improvements to the garden beds and reorganisation of plantings to ensure the entrance way through to the hall is more open and obvious.

There will be some work carried out with general weeding and replanting on Thursday October 2nd beginning at 1.30p.m. If any parents are available to assist that would be great. Contact Dale Schumann on 0411 142 771 or Leah Mannion lcmannion@optusnet.com.au

Fundraising News

Fun Run – Update

It was a perfect spring day for our first Fun Run and it set the scene for a really enjoyable afternoon. From all the feedback everyone had a fantastic afternoon and every student played a part in the day whether running the event or cheering on their friends. Thanks to Jeff McDonald and his team who went over and above to support the event as well as all the parents who came along and really added to the atmosphere and supported the students.

The student's response on all their donations has been absolutely amazing and this is being collated now. At the same time all the prize requests are being collated and the order will be placed by Wednesday. If it helps to manage some expectations at home we will then receive the prizes within 15 working days for handing out to the students.

Well done to everyone involved and once we have finalised everything we will keep everyone updated.

Best Regards,
Sam Elg, School Council President
