Principal's Message

As Principal I hereby declare the KINGSVILLE 2014 SPRING FETE a huge success.

In follow up to the message in the last newsletter some reflections and some expression of gratitude. Weather wise it was perfect – the sun did shine as promised but not too hot, perfect fete temperature all day.

The crowds came and hundreds of people passed through in the first three hours and they kept coming throughout the day.

The reviews are in and all reports are favourable – a great fete and a brilliant community event. With the exciting rides, show bags, fairy floss, popcorn, face painting and entertainment on the stage it was a real family affair. There were so many activities for young children to be involved in and have fun and the dunking machine was very popular with \$600 raised.

A huge thanks to everyone involved in contributing to the success of this memorable day. The total profit has not been finalised but a profit of over \$30,000 is expected. Details regarding the final total raised will be published next week. In the meantime to this years fete team who worked tirelessly in bringing this huge event together – well done.

To **Nicole Virtuoso** in charge of fete co-ordination and administration and **Dale Schumann** operation manager for your work and vision, direction and facilitation of the whole story. Nicole has put together a significant acknowledgement article for this newsletter which says it all.

Well done everyone.

Kingsville is a winner

Thank you to Jodie Morgan, Kingsville parent (Georgina and Hamish Drummond year 6) who entered a competition advertised by the company MOZI. The Australian lifestyle brand recently held a competition with the prize being a "LITTLE VEGIE PATCH" vegetable crate (value \$350). It was open to schools and community groups. The task was to ***"simply put down in 25 words or less why your school or community could do with a fabulous sign, soiled and delivered veggie patch crate."***

Jodie took up the challenge and just on target her winning entry was

Kingsville Primary School has the most amazing kitchen garden but....

The veggie munching school community is expanding ... it seems their patch needs to 'dispatch' more beds!

Well done, very clever we look forward to the arrival of our crate.

Fundraising News

School Disco – Friday 14th November

It's on again! The much anticipated school disco will be held on Friday 14th November.

The disco will be divided into two sessions with Prep to Grade 2 from 6pm to 7.15pm and Grades 3-6 from 7.30pm to 8.45pm. Many thanks to Aaron D'arcy (dad of Milly), who returns once again as our fabulous DJ.

To make drop off and collection easier, children will enter the Hall via the Bishop Street Hall doors and will exit via the glass doors leading onto the deck. Please note that the only access to the school is through the Bishop Street gate near the BER building.

The cost for the evening is \$6 which includes disco entry, a drink and a glowstick. Water will also be available throughout the event. The fundraising "bouncers" will be on hand to ensure that everyone has a fun evening.

Forms must be returned by Tuesday 11th November. Pop the flyer on the fridge at home as a reminder.

If you can help this event – even if only for an hour – please contact Vita Budlender on bbudlender@gmail.com. Any help is appreciated.

STALL COORDINATORS

Without stall coordinators looking after each stall and class, the Fete just wouldn't be able to operate. Sharing the coordination of the helpers roster load, a little working bee here and there, pickups, errands, helping to seek donations, gathering of a bit of equipment, making signage/decoration, promotion etc. among over 30 coordinators for over 25 stalls is what makes the day go smoothly. On the day of course it is very busy and when in full swing each stall has a line at some stage. Particular thanks to those stall coordinators who spent several hours at their stall or dashed out to purchase

anything that had run out of if it was required, we really appreciate the effort and time.

STAFF

The support of staff is essential and thank you to all those who engaged the children in that final week of the Fete, sent home the notices, reminders, collected notes, filled in the helper's board, contributed to poster/decoration/signage making, attended on the day and helped on their stall etc. Particular thanks to Kath for assisting the promotion of the Fete through her schools network and constant support, Linda & Betty in the office for the financial administration support, and Carolyn, Blagma and Sonja who "were in the counting house, counting all the money". Blagma for the Fete "newsletter" support. Thanks to the staff who sat in the ticket box or applied some of the 379 ride wrist bands as this is a very important job on the day. Jeff for running around filling gas bottles and organising generators and the clean up. Also to the 4 teachers who were prepared to sit in the dunking machine and threaten to give children detentions if they hit the target! The children were so thrilled you participated!

FETE TEAM

To those who contributed to the major organisation of the Fete - Dale Schumann, Kirraly Schumann, Jackie Parnell and Sarah McLaine - it was a tremendous effort. To the supporting Fete Team contributors Emma Davidson, Brett Hapi, Sam McArthur, Mary Davis, Liz Reinoga, Tania O'Brien, Linda Robson, Sheri Patterson - thank you for your contribution to the Fete Team - couldn't have done it without you. Also thanks to Kate Doyle and the Community Public Relations Committee for the terrific promotion and exposure in the local community.

SCHOOL COUNCIL

After last year's council decided to hold their 3rd Fete in 2014, we would like to thank this year's council for the support and approval of the Fete Team to run a well organised, community oriented, fun and profitable event.

SPONSORS & DONORS

A Fete would not be so successful without donations of goods or services to the Fete. Our reputation in the community of holding a successful Fete has grown and the support from local businesses or contacts is fantastic. KPS has an excellent donation base and can take the contact list we have built into any future fundraiser whether it be a trivia night, bogan bingo, Hot March night or festivity. However - the best thing KPS families can do in the next couple of months is when you are visiting their place of business (full list in upcoming newsletter) tell them to pass onto the manager a thanks for supporting the KPS Fete!

KINGSVILLE FAMILIES

All above said, it is you the families and children who truly make the community atmosphere a buzz on Fete day. By contributing an hour or two to a stall, bringing your families, friends and relatives, donating your unwanted toys, books, plants and making a small contribution such as baking, milk, cheese, lettuce, tomatoes, plants, sweets, scones gives our stalls products to be able to sell. Passing on a good Fete or supplier contacts is another way families contributed. Those who helped with the set up the week before or on the Friday and to those who stayed behind to help pack up - as they say "many hands". Eating, drinking, laughing, catching up with others in the community and enjoying the day. Thank you.

We are sure someone may have been forgotten in this thank you, so our sincere apologies. Please let me know if we have overlooked anyone!

Thanks again,
Nicole Virtuoso & Dale Schumann
On behalf of the Fete Team
