## Principal's Message

### Musical Production

For three nights this week --- Kingsville students took to the stage and thoroughly entertained us with their acting, singing and dancing in the 2015 musical production.

The reviews are in and we can announce that **“Adventures of a Comic Book Artist”** was a huge success.

What a treat for the audience, even for those parents who loyally sat through all three nights. This was a joyous event and the the talent, engagement, passion and professionalism of Kingsville students shone through. The performances were extraordinary and the acting, singing, dancing, humour and the gags all came together perfectly.

To Mori and Greg Milholland who volunteered earlier this year to provide this opportunity for students, you set the goals and well and truly achieved them all congratulations.

To the students who took on other important roles out of the spotlight including choreographer/dance captains and, stage managers your work was vital and exemplary.

Of course such events do not come together without a great deal of organisation assistance, volunteering and many additional working hours including weekends and late nights. The support for this undertaking in 2015 has been significant. Thank you to volunteer parents who gave of their time and expertise and used their contacts to assist in so many ways. Also, to staff ie teaching and support staff who generously took on additional work to assist.

### **General Guidelines for Parents when making any Payments to the school:**

- End of Terms 1, 2 & 3** All payments need to be made prior to 10:00am on the last day of term.
- End of Term 4** All payments must be made 2 days prior to the end of term.
- Cash Payments** Correct money is requested, as change cannot always be provided.

**School Council President** Leah Young 0418 369 039  
**OSHC Camp Australia** 0401 054 261

**School Uniform Primary School Wear** 9363 8458  
**Program Manager** Asi Malu

The production program lists the names of a number of parents and staff who assisted and contributed in significant ways and it is fitting that they receive recognition in this way.

In addition, I would like to single out Jeff McDonald, Assistant Principal and Blagma Veljanoska, Leading teacher who volunteered and took on specific management roles that contributed to the success of the three nights across a range of areas.

I hope that every student involved will remember this experience for a very long time to come.

Well done everyone.

## The Dots Are Here!

Keep your eyes open for some amazing displays of work in the next couple of weeks. In the art room the children have been exploring the idea of 'Making a Mark' and being creative and courageous by being involved in a whole school activity.

The delightful book 'The Dot' by Peter H. Reynolds has been an inspiration for the creative work of our students.

During the next week or two student 'dot work' will be displayed in a mini pop-up art show around the school. Please take time to wander and enjoy the beautiful creations.
