

Ride to School Day: student report  
Wednesday 19<sup>th</sup> March 2014

Ride2School Day was very successful because lots of people took up the challenge to get to school in a way other than by car, 488 in fact. The weather was great for riding or walking to school so we were very lucky. We think this day will encourage more people not to take the car to school and we look forward to next term's Walk to School Day (23<sup>rd</sup> May). Thank you to all the parents who took the time to make sure we had a successful Ride to School Day. Next time we will try to beat our total, so let's all start walking and riding to school!
